- Grant availability and funding limits may change at any time during the year due to unforeseen or extraordinary circumstances. The OVCA Board will be the sole arbiter and have full authority to determine what is an "unforeseen or extraordinary" circumstance.

For ALL grants, the recipient must publicly acknowledge the receipt of the grant from the OVCA to its members and/or participants and provide proof upon request.

Individual grants may have specific requirements in this regard.

## OVCA TEAM TRAVEL GRANTS

Team Travel Grants assist teams that have qualified for their provincial/national/international championship tournament.

This grant only applies to team events and not individual events such as "Hit, Draw, Tap/Tic, Tap, Toc" or the Curling Canada Singles competition.

### Grant:

- For Youth (U21 and below), Disability /Deaf Sport and Under-represented Community Teams
  - \$125 per team member that is a member of an OVCA club in good standing, to a maximum of \$500.
- For Adult Teams, including Seniors and Masters teams:
  - \$25 per team member that is a member of an OVCA club in good standing, to a maximum of \$100

There is no per-team grant "cap." A team that qualifies for its provincial, national, and international championships in the same year can receive a grant for each step in the process.

### Requirements:

- Teams may only apply for grants to provincial, national and international championships where **a QUALIFICATION PROCESS EXISTS in a given year**. Direct entry competitions are **NOT** eligible for funding for that season, regardless of whether a qualification process may have existed in the past.
- A list of currently eligible competitions is included below. The OVCA Board of Directors reserves the right to change the eligible competition list at any time during the curling season.
- Notwithstanding, teams who wish to enter a direct-entry competition for under-represented communities (i.e., disability/deaf sport championships, LGBTQI2S or BIPOC competitions) may still apply for this grant.
- For events that occur within OVCA boundaries, grants will **NOT** be available for teams competing in their home municipality, UNLESS the rules of the competition

require teams to use a host hotel or similar lodging regardless of the team's home municipality. (NEW for 2025-26)

- An application for the grant must be received within the curling season.
- The receipt of the grant should be acknowledged through any social media channels the team may have using the hashtag **#OVCAGrants**. **Failure to acknowledge the receipt of a grant may disqualify a team or its members from future grant opportunities.**

**NEW FOR 2024 - 2025** - Teams that are representing Ontario at National competitions are eligible for the “Team Travel Grant + Prov Team Legacy” grant, and are eligible for DOUBLE the grant amount they qualify for. This matching amount is available through the World Men's Curling Championship Legacy Fund

**Known Eligible Competition List – 2025/26 –**

This list may not be exhaustive at the time of publishing, so events not listed may still be eligible for grants if they meet all criteria. Events currently listed may be de-listed if the provincial sport organization changes the qualification process such that an event no longer meets our criteria.
